

## 2023-2024 DCE SH Course Registration Presentation Dates

Current 10th & 11th ELT Assignments

All presentations are in the auditorium and will start promptly at 2:11pm (ELT)

Please review the following directions for our 23-24 course selection process.

Each 10th and 11th grade ELT has been assigned a date in February to attend a course registration overview during ELT in the auditorium which will be facilitated by one of the school counselors. Please find your ELT and date on the chart below. You should inform your ELT prior to the registration overview date that they are required to attend this and should report directly to the auditorium by 2:11pm. Students will be seated with their ELT. The ELT teacher is responsible for taking attendance during the overview.
